# ABOUT US

Strips chips are a legume snack. Naturally gluten-free, without additives, preservatives, glutamates and dyes. They are high in protein and fiber and low in acrylamides. As a snack, it is suitable for sports or for relaxation, for healthy eating and in the pub. Even children will love them.

**In 2018**, the Strips Chips brand was created. The manual production of pulse chips started in Ostrava - Vítkovice with two employees, three flavours and a production capacity of 10.000 units per month.

The **year 2020** brings the merger with the Yes chips brand and production will move to Frýdek Místek for a while. Planning for a new production hall project and the transition to an automatic production line begins. With the capacity of 1 million pieces per month. December 2020 - the hall is built, moving and new chandelier chapter can begin.

Important certifications such as IFS and Bio are **coming in 2019**, and the number of employees increases to 10. Strips Chips already has 5 flavors and production capacity has increased to 50 thousand units.

Production moved to the new production hall in CTP Ostrava. Monthly production of chips increased to **1 000 000** pcs/month.

# PEA & SMOKED JALAPENO

Are you a fan of spicy flavours and do you mind if you get a little “dewy” when you eat? In that case, you will undoubtedly love our chips with the flavour of smoked chilli peppers Jalapeños, which have a very strong spiciness and are not intended for “sensitive” individuals.

The chips themselves are made from pea flour, which is generally beneficial to the human body and should be a regular feature in any diet. Our chips are of course free of preservatives, ethers, allergens and gluten.

Jalapeños themselves are also a rich source of nutrients and aid digestion (that is, if you don't overindulge). So these chips are the perfect choice if you want to munch without any qualms about your healthy lifestyle. Not only are they an ideal treat for chilling in front of the TV in the evening, but they are also great as a tasty and nutritious snack at any time of the day, as well as a great travel companion.

## Ingredients:

pea flour (origin: EU and non-EU) 50%, pea protein, rapeseed oil, mixed ingredient (salt, cane sugar, carrot, garlic, onion, parsnip, leek, paprika, potato, parsley, chives, turmeric, bay leaf, pepper), Jalapenos chipotle 1.2%, tequila smoke, yeast extract, salt

# PEA & WASABI FLAVOUR

Chips made from pea flour with a distinctive but pleasantly balanced wasabi flavour will refresh you with their originality and transport you to the world of Japanese cuisine. They are so addictive that you won't want to stop after the first bite - and you won't have any regrets.

Thanks to the natural hotness of wasabi and the crunchy texture, not only adults but also the more adventurous children will love them. Plus, don't worry about the ingredients - the chips are made with only natural and high-quality ingredients. They contain no preservatives, artificial flavourings, allergens and are completely gluten-free.

In addition, peas are an excellent source of vegetable protein, fibre and important minerals such as iron, magnesium or zinc. These chips are not only tasty, but also a nutritionally valuable treat that is suitable not only for an evening meal, but also as a quick and healthy snack during the day or on the go.

## Ingredients:

pea flour (origin: EU and non-EU) 51%, pea protein, rapeseed oil, wasabi mixed ingredient (salt, corn flour, spinach, onion, flavouring (contains celery), oil, yeast extract, E300, spices, spice extracts, E551) 2.9%, mixed ingredient, poppy seeds, salt
